

MH320 GAMING HEADSET

The MH320 is a professional RGB gaming headset with HIFI quality sound drivers and an ergonomic design that allows you to carry them anywhere you want. It is equipped with a foldable flexible microphone, LED RGB lighting and a PC Jack adapter 1-2 for maximum compatibility

NOTES

- The MH320 USB port allows the headset to use its RGB system. Connect it to turn the light ON.
- The 1-2 PC Jack adapter allows you to connect your headset to your PC. Use the single jack connector to use the MH320 with the rest of compatible devices.
