

MWPRO

STREAMING WEBCAM

User Guide

SETUP

- Plug the USB-A webcam connector into your computer port, the Plug&Play webcam will be automatically detected without installing any software.
- The built in microphone in the camera can be used by selecting "Realtek USB Mic" in the audio settings of the calling or streaming program.

MOUNTING OPTIONS

- The webcam can be mounted on your monitors, desks or tripods with ¼" universal screw.
- MWPRO is built with fixed focus technology, place yourself within 50-100 centimeters away from webcam for sharper images.

LIGHT-RING

Webcam light-ring is ideal to soften or eliminate harsh shadows in low light condition. The lighting can be adjusted in 3 different brightness levels to meet your lighting needs by simply tapping the touch sensor.

Please, keep this sheet for future references.
